

## *Personable. Reliable. Flexible.*

- ◆ We transport dry bulk commodities and project cargoes.
- ◆ We operate on all segments of the US inland waterway system.
- ◆ We offer one of the newest fleets in the industry.
- ◆ We will customize our offering to meet your specific needs.
- ◆ Our state of the art information system facilitates logistics, cost efficiency, and customer service.

## Why Us?

Heartland Barge sets the “standard” for transportation services. We strive to be what you should expect from a committed partner, working aggressively to provide you the best available shipping solutions.

- ◆ Talented team of professionals with extensive experience
- ◆ Focused on achieving our customer’s economic and service objectives
- ◆ World Class System to support logistics, economics, and customer service

## *Personable.*

- ◆ Customer satisfaction is top priority.
- ◆ Heartland Barge's Team is focused on ensuring your needs are achieved from the time a contract is negotiated until your product is delivered.
- ◆ Our Sales and Dispatch Team strive to be your "Barge Department".

## *Reliable.*

- ◆ Heartland Barge's fleet is one of the newest in the industry, ensuring maximum efficiency and the safety of your cargo.
- ◆ Customer Service is available 24 hours per day, every day of the year.
- ◆ Our word is sacred! "We deliver what we promise".

## *Flexible.*

- ◆ Change is a constant in business. We understand this and strive to minimize impacts of customer required changes.
- ◆ There is seldom only one path to a solution. We look at all paths and options to help our customers achieve their goals.
- ◆ Services include: affreightment, charters, project cargoes and logistic management.
